

Request to Use Ottawa Mood Scales

Thank you for your interest in the Ottawa Mood Scales!

Are you looking to use the Ottawa mood scales in your clinical work? If so, permission is not required.

Are you looking to use the Ottawa mood scales for commercial purposes? Please contact me directly via www.drcheng.ca > Contact Form.

Are you looking to use the Ottawa mood scales for research purposes? If so, please fill out the following form...

You are free to use the Ottawa Mood Scales under a Creative Commons License.

Note that the scale is not officially validated; for that reason, I welcome interest from all those wishing to research the scale.

I agree to the following:

- I agree to inform Dr. Cheng in the event any articles or publications arise from use of this scale.
- I will not be charging end users for the use of this scale, nor profiting commercially from the use of the scale. Using this scale for clinical or research work is acceptable.
